

COMMUNITY SERVICE PROJECT

A large part of HOBY's mission is community service. We will be conducting community service projects on arrival day and Saturday of the seminar. The idea of community service is one of the founding principles of HOBY.

Start going out and asking your family, friends, and neighbors if they can help you out and donate food, and/or the other items listed below. Please bring as many of the following items as possible. The volunteer staff is joining you in this cause! All the food collected will go to a food pantry in their campaign to feed others in need. We want to fill 4 trucks! Let's surpass our goals.
